NSC REVIEW
COMPLETED,
10/31/03

Dear Mr. Holland:

In accordance with the decision of the Operations Coordinating Board of October 13, the meeting of November 10 has been scheduled as the date for the final review by the OCB of the position papers for the U.S. Delegation to the Rio Conference which have been prepared by the Interdepartmental Committee on the Rio Conference chaired by you. The Board will discuss the position papers in light of the over-all U.S. policy with respect to Latin America as stated in NSC 5432/1, which the President has assigned to the Board for coordination. It is understood that this date will fit in with your schedule and it is hoped that you will be free to participate in the discussion of the Board at that time.

The Board will also be interested in a discussion of the preparations that have been made for the appropriate informational and psychological activities relating to the Conference. Mr. Strubhart, Director of the U.S. Information Agency, will be prepared to participate in the discussion of this aspect of the Conference.

A request has been made through State Department Secretariat channel for the final position papers as they have been developed by your committee so that they may be made available to the members of the Board sufficiently in advance of the November 10 meeting to permit them to be adequately reviewed and staffed.

Sincerely yours,

Elmer E. Staats
